"Annaswami Mudaliar" referred to by the Revenue Inspector Siruguppa in para 2 III (3) of his report is a mistake for "Annamalai Mudaliar". Nagalingam Mudaliar has no sons by name "Annaswami Mudaliar", The last sentence of the Revenue Ins-

p.t.o.

Inspector's report [He is now working as Sean, Taluk office, Rayadrug - Para 2 (IV)] shows clearly that the Revenue Inspector referred x only to Annamalai Mudaliar.

2. "Annamalai" occuring in the fourth line of para 2 of this office N.Dis.661/40 dated 30/3/40 is a mistake for "Anandam" as may be seen from the report of the Paragraph as well as para 3 of the same report. As the 1/5th share of Nagalingam was divided between Jagannadam and Anandam and Anandam relinquished his share to Jagannadam and after his death Panchalaratnammal and her xxxx sons are solely entitled to 1/5th share in the house.

3. The statement of Annamali dated 7-5-40, which is enclosed, clearly shows that he has no right to Nagalingam Mudaliar's share in the house. He says his claim only to the share of his adoptive father.

AG

One Pancharatnammal wife of late Jaganadam peon Taluk Office Siruguppa, has applied for a gratuity of Rs. 500/- for clearing debts, and for the livelihood of herself and three children.

2. The deceased had put in a service of more than 23 years. He worked till 21-4-39 as peon when he suddenly fell ill and went on leave for a month from 22-4-39. He contracted double ~~Pneumonia~~ Pneumonia and died on 2-5-39 at Bellary.

3. The deceased peon has two brothers.1) Anandam Peon taluk office Siruguppa.2).Annamalai,peon taluk Office Rayadrug. As all the three brothers are members of a divided family, the applicant has nobody to support her. The widow was at Siruguppa till 20-5-39 and then she went to her father's house at Varahapudur, Kannamangalam Post,North Arcot District. The two brothers of the deceased have stated their inability to maintain the applicant and her children. Her father too is not willing to support her as he is poor.

4. As seen from the statement of Annamali Modaliai, the deceased has a 1/5 share in an old mud house at

which is estimated to cost Rs.150/- . He has no other property. As regards his liabilities he took a hand loan from Koti Parvathammal and it is reported that there is still a sum of Rs.200/- to be paid to her. There is however, no documentary evidence in support of ~~their~~ This liability . But Parvathammal states that the deceased owes her Rs.200/- and her statement is supported by that of the Village Officers. It is reported by the Tansildar that Parvathammal advanced the money to the deceased on trust as the latter used to borrow money from the former whenever required and also used to pay something out of his salary every month in partial liquidation of the debt. In addition to the above debt, the family owes Rs.30-10-0 to Sri. V.Sundrian Chetty, L.M.& S., Registered Medical Practitioner, Bellary towards the medical charges. His letter dated 11-9-39 is enclosed. The total assets and liabilities of the deceased peon are given below:-

Total assets Rs.30/- being the cost of the 1/5 share of the house .

Liabilities Rs.230-10-0 .

Net liabilities Rs.200-10-0.

5. In view of the long service put in by the peon and the destitute circumstances in which his family has been left now, I recommend a gratuity of Rs.192/- equivalent to 12 months' pay of the peon to be paid to the widow so as to enable her to discharge all the liabilities.

6. The record of enquiry, service register , conduct sheet of the peon and the application of Pancharatnammal with a description roll of the applicant are enclosed.
